to me, Registration

Hello,

Unfortunately the only thing we are able to provide is an invitation letter. We invite you to the event letting them know the event is hosted by us and is taking place, however, we do not sponsor nor take any responsibility for anyone approved for a visa to attend the event and have no control on who is approved or not approved.

If you have specific questions about obtaining a visa, contact the U.S. Department of State at <http://travel.state.gov>.

Thank you,
